Consignment Sales Policy

In addition to our in house inventory, KMC is always looking for quality automobiles to accept for consignment. Until we find the proper buyer, we have a newly renovated, climate controlled, attractive show room to serve as a home for your "Pride and Joy".

A mechanical and cosmetic inspection will be performed at the time of consignment. Even though our building is brick with a new sprinkler and security system, KMC will require that the vehicle is cover by the owner's insurance.

KMC will also assist you in determining the market price of your vehicle. Our fee is 8% (\$1,000 minimum) of the sales price. A \$200 detailing fee will be waived if the vehicle is sold. If the vehicle is not sold in 60 days, a showroom fee of \$3.00 per day will be assessed.

For the Love of Your Automobile
